

Stine's Emergency Preparedness Guide

When disaster strikes, Stine has you covered. From preparing your home to recovering from the aftermath, our wide selection of products can help you weather any storm.

Preparing for an Emergency

Building Materials:

- Plywood and Sheathing: Protect your windows and doors during severe weather.
- Hurricane Panels: Provide added security and protection against high winds.
- Weatherstripping: Seal gaps and cracks to prevent drafts and moisture infiltration.
- Generators & Other Power:
 - Generators: Ensure power supply during outages.
 - Wet/Dry Vacs: Clean up water damage and debris.
 - Dehumidifiers: Prevent mold and mildew growth.
 - Sump Pumps: Remove water from basements and crawl spaces.

Preparation Supplies:

- Tarps: Cover damaged areas and protect belongings.
- Ladders: Access hard-to-reach areas for repairs or cleanup.
- Buckets: Collect water, debris, and cleaning supplies.
- Extension Cords: Power tools and appliances in remote areas.

Recovering from an Emergency

Building Materials:

- Drywall: Repair damaged walls and ceilings.
- Doors and Windows: Replace damaged or broken components.
- Insulation: Restore energy efficiency and comfort.
- Lumber: Rebuild structures and repair damaged areas.

Restoration Equipment:

- Wet/Dry Vacs: Remove water and debris.
- Pressure Washers: Clean exterior surfaces and remove mold.
- Blowers: Clear debris and dry wet areas.
- Dehumidifiers: Control moisture levels and prevent further damage.

Cleaning Tools & Supplies:

- Ladders: Access high areas for cleaning.
- Buckets: Collect water and cleaning supplies.
- Yard Tools: Remove debris and debris.
- Cleaning Supplies: Disinfect surfaces and remove contaminants.

Other Emergencies

Beating the Heat:

- Water Jugs: Stay hydrated during hot weather.
- Misting Coolers: Provide relief from heat and humidity.
- Industrial Fans: Increase air circulation and reduce heat.
- Cooling Headwear: Protect your head and face from the sun.
- Canopies: Create shade and shelter from the elements.

Wildfires:

- Flashlights and Headlamps: Provide light during power outages.
- Outdoor Power Equipment: Clear brush and debris around your property.
- First-Aid Kits: Treat minor injuries and burns.

Floods:

- Buckets: Collect water and debris.
- Coveralls: Protect your body from water and contaminants.
- Rain Boots: Keep your feet dry in wet conditions.
- Chemical Resistant Gloves: Protect your hands from hazardous materials.

Remember, being prepared can make a significant difference during an emergency. Stine offers a wide range of affordable products to help you stay safe and resilient.
